## **Service Advisor Training**

**The automotive industry is seeking new talent.**

**NO EXPERIENCE NECESSARY!**

**You must be a people person who loves retail.**

We are offering introductory service advisor training for candidates interested in entering the automotive service retailing industry. Automotive Domain Service Advisor Training Seminars can help you to learn the importance of premium customer care and vehicle maintenance in a new and exciting manner.

If you genuinely like to work with people in the retail automotive industry and are seeking an earnings potential of up to \$75K in your first year, this training seminar is for you.

For more information, call Michael Roppo or Lou Young at 732-572-3900.
